Local Registering Among the Whites.

RICHMOND, June 26.—There is great excitement here among the whites over the increased majority of twenty thousand which the registration gives them. The prospect of returning power seems to inspire the citizens of even the representatives of the straightest Virginia set, and to such a degree that Conservative men of prominence are putting on foot a movement here to elect Dr. Alexander Sharpe, former postmaster here, and brother-in-law of the present Marshal of the District of Columbia, to the United States Senate. This movement for Sharpe is evident that there has been a most radical change in the feelings of Conservative politicians.
